DEREHAM DAY

Friends of MEMORIAL HALL DEREHAM

Welcome to DEREHAM DAY

It's a great pleasure and privilege to be able to welcome you to Dereham Day on behalf of the Dereham Day Team. The event takes place at Dereham Memorial Hall and on the Fleece Meadow on Saturday 14th May from 10 o'clock in the morning until 4 o'clock in the afternoon. At 7.30 in the evening we have the special delight of handing the stage over to the fabulous concert party entertainers, Friends of Norfolk Dialect (FOND), who are presenting their new / old show "A FOND DEW."

We're delighted that so many local voluntary sector organisations and public service bodies have taken up the challenge to open themselves up after such bruising times to meet their friends and Dereham neighbours. This is essentially a celebration of Dereham, with all its colour and vitality, variety and creativity, history and potential.

We aim to show you all that is good about living in and near Dereham, to point out what is available to you as a volunteer, member or service user. In short, we want to remind ourselves what it means to belong here. This is a great moment to decide what you can contribute too ! All the agencies present will welcome you with open arms. Do familiarise yourselves with the wonderful website www.aboutdereham.org for more information about member groups.

We are sure that you'll find things to interest and entertain you all over the Hall and grounds. Do look at the programme and pick out what you don't want to miss. Please support the local hot food vendors on the Fleece, and take in the free showcases and sessions in the Main Hall and Meeting Room.

We're especially thrilled that the event has been so well supported and encouraged by members and staff at Dereham Town Council, who own this wonderful building, and thank them for the grant support. The town councillors will be manning their own stall to meet the people they represent. We thank local media for the publicity given by Dereham Times and Eastern Daily Press, and we give a big welcome to Radio Norfolk who will be broadcasting live from the event during the day. We're especially grateful to George Freeman MP for Mid-Norfolk for agreeing to ceremonially open Dereham Day.

Remember that the daytime event has free entry (tickets for A FOND DEW are only £12 on www.ticketsource/dereham), and that after we've paid our bills, all the proceeds will be given to the Ukraine Appeal, so please be as generous as you can !

Tim Cara – Chair of Friends of Dereham Memorial Hall.

Some PS's : Parking at Morrisons is strictly limited to 3 hours – penalties are imposed by the company managing the carpark. The programmes are subject to changes for happenings outside our control. Friends of MEMORIAL HALL DEREHAM

In 2022, we've presented Dire Streets, organised Dereham Day, promoted the Blues Festival Opening Concert and are bringing the fabulous Pantaloons back to Dereham in October with 'Great Expectations'. We would like to increase our output from 4 events a year to 12, but our limited number of organisers and volunteers is holding us back. We would like to re-open CoffeePlus, but (same reason!)…. We would like to bring to Dereham quality touring theatre, children's shows, dance, but (you've guessed). We would like to do justice to this wonderful building and to all the people of Dereham. We have the know-how, experience, funding to do all these things, but need you to get involved to make it all happen. You can make the difference!

One of our great success stories is 4th Tuesday of the Month **Film Night**, which we host at The Orion Cinema. We choose the films, the Orion does everything else. It costs only £5 for FODMH members (it's free to join), £5.90 for everyone else. Our audience is growing month by month, and it really is the best night out for a fiver. Since things started up again, we've watched The Courier, The French Dispatch and The Last Duel, all excellently reviewed movies. Check the Orion website for details of the next films or ask Tim Cara to go on the mailing list and help choose future features.

We're happy to tell you that there are other great things to see, and places to visit and enjoy in our town on Dereham Day.

Orion Cinema - Dereham in Dereham Market Place has special FREE screenings of silent films shot between 1936 and 1939 depicting aspects of life in Dereham at that time. The films have been captioned by local historian, Brent Scholes, are the property of the East Anglia Film Archive. They have probably not been seen in public for 80 years. There will be 3 screenings during the afternoon, each one FREE and lasting approximately 30 minutes. Check with the Orion Cinema for details of the times and other listings at our own independent cinema.

Mid-Norfolk Railway has an operating timetable running on Dereham Day. It's our own heritage railway! Go to the website for timetable details and to learn about the special events and galas taking place in 2022.

Our beautiful medieval Parish St. Nicholas Church, East Dereham is open daily between 10 o'clock in the morning and 4pm. You are welcome to visit and enjoy a time of quiet reflection in the church and churchyard, to see the ancient Withburga Well, the fifteenth century font, and the memorial window to William Cowper, the eighteenth century poet who is buried in the church.

Dereham History & Bishop Bonner's Cottage Museum houses the town museum and is open on Fridays (10-1) and Saturdays (10-4) until the end of September. It is a little gem!

Dereham Windmill was built in 1835 and is a five storey brick tower mill, with cap and sails. It is open to visitors every Friday and Saturday between 10 and 3pm.

The Partea Hut serves light meals, cakes and beverages from 10 o'clock daily on Wednesdays till Sunday in a lovely spot next to Dereham Windmill.

Dereham Town Football Club would be with us, but it's graduation day at Aldiss Park at Dereham Town Football Club. The under 16s team is playing on the main pitch, and they have a BBQ.

And, don't forget that Gressenhall Farm and Workhouse Museum is on our doorstep!

Lots to see and do!
