5	<p><b>Brown Tourist Signs</b></p> <p>Mike referred back to the report he had produced which showed a lack of coherence in the use of brown signs, both within the town and on the A47. He had received advice from a traffic management consultant who had said it is best to split the proposal into two separate parts and to focus first on the issue of signage on the A47. These are dealt with by 'National Highways' and likely to cost in the region of £10k each.</p> <p>Mike has already consulted MNR on this proposal and they are very keen to have brown signs on both the A47 and the A11. Mike will follow up with meetings with other destinations such as Gressenhall Museum and the Windmill in the hope that these major attractions can contribute to the eventual costs. In addition, Cllr Duigan has offered to contribute toward the cost.</p> <p>Mike will circulate an updated report following these consultations.</p> <p>Carolyn reported on the proposal for Wayfinding Phase 2: this is a programme of works designed to de-clutter, tidy up and improve signage within the town including: new noticeboards at the P.O. and on Wright's Walk; new interpretation panels at Washbridge and next to Crisp Maltings; a new finger-post at the recreation ground; repairs to and improvements to various traffic signs in the town, including some new brown signs to replace some old ones. The proposal was endorsed. Carolyn will circulate the written proposal.</p> <p>The proposal to use the remaining wayfinding budget in this way will need to be approved by the three councils, each of which contributed £15,000 to the wayfinding project. Carolyn to progress this.</p>	<p>Mike</p> <p>Carolyn</p> <p>Carolyn</p>
6	<p><b>Queen's Jubilee</b></p> <p>Carolyn displayed the updated list of Jubilee events that we know of, in and near Dereham. This list will be circulated to the DTPWG and also to the Jubilee Events Planning Group.</p> <p>Cllr King reported on two Jubilee events on behalf of Dereham Council. He is leading on the beacon lighting event in the Fleece Meadow on 2nd June, supported by aboutDereham. He has organised some catering and a singer has been booked. He hopes that one of the DLLs will open the event - light the beacon at 9.45.</p> <p>Cllr Clarke is leading on the second event which will be a garden party to take place in the Queen Mother's Garden on Saturday 4 June. This will be invitation only. Cllr King to continue to update us on these Jubilee events.</p> <p>Cllr King also told us that Royal British Legion are to put on a cream teas train in July. This will be a ticketed event, open to the public, but with a carriage reserved for RBL members and their families.</p>	<p>Carolyn</p> <p>Cllr King</p> <p>Cllr King</p> <p>Cllr King</p>
